MEDICINAL.

WILL IT CURE ME?

That's the personal question a woman asks herself when she reads of the cures of womanly diseases by the use of Dr. Pierce's Favorite Prescription. Why shouldn't it cure her? Is it a complicated case? Thousands of such cases have been cured by "Favorite Prescription." Is it a condition which local doctors have declared incurable? Among the hundreds of thousands of sick women cured by "Favorite Prescription" in the cure of irregularities, weakness, inflammation, ulceration and female weakness. It always helps. It almost always cures.

"I commenced taking your medicine, Favorite Prescription, nearly a year ago for chronic inflammation of womb, and can truly say it is the only thing that ever did me any good," writes Mrs. L. C. Wagner, of 125 Edwin Street, Toronto, Ontario, Canada. "I could not walk any distance before using it. After taking six bottles of your Favorite Prescription I find I can walk without difficulty and am greatly benefited in general health. Would advise all suffering women to use Dr. Pierce's medicine."

These are the Original Little Pills, first put up over 40 years ago, by Dr. R. V. Pierce. They're much imitated but never equalled. Smallest, easiest to take and best. They're tiny, sugar-coated, anti-bilious granules, a compound of refined and concentrated vegetable extracts. Without disturbance or trouble, constipation, indigestion, bilious attacks, sick and bilious headaches, and all derangements of the liver, stomach, and bowels are prevented, relieved, and cured. Permanently cured, too. By their mild and natural action, these little Pills gently lead the system into natural ways again. Their influence lasts.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Hepticle.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of Dandruff and prevent Baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Vigors.

Newborn's Hepticle is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. in stamps for sample to The Hepticle Co., Detroit, Mich.

Blizzards, Thunderstorms, Sleet and Rain.

While a dense fog enveloped the eastern seaboard cities, accompanied at New York and other places by rain and sleet, a blizzard swept through the West, Northwest and Southwest, and thunderstorms prevailed in the lower Mississippi Valley. Along the coast lines and shipping generally were delayed by the impenetrable mist, and several wrecks occurred. Ferryboats in New York harbor were in constant danger of collision. Sleet and fog greatly interfered with railroad transportation and the telegraphic service. In Minnesota, Wisconsin and other parts of the Northwest railroad trains were held up in snowdrifts. Wind played havoc in Indiana. At Elkhartville a schoolhouse was unroofed and several children hurt. Heavy rains put an end to the long winter drought in New England, and were of value to the tobacco farmers in the Connecticut Valley by "damping" the crop. During the last 36 hours the first soaking rain in many months has fallen in the territory from the Ohio river to the Gulf of Mexico and from Texas over into Georgia.

Reports received at the Weather Bureau in Washington last night show that Missouri, Iowa and Illinois are in the throes of a blizzard. The temperatures are falling fast, and have passed below zero point in eastern Nebraska, Illinois and Iowa were expected to experience zero weather by this morning, and in Minnesota it will be even colder. The Mississippi Valley storm of rain, snow and sleet have advanced northward to Lake Michigan. At 8 o'clock last night a 72-mile-an-hour gale was blowing at Chicago, while the barometer at Milwaukee reached 28.86 inches, an unprecedented low reading. All along the Atlantic seaboard from Virginia to southern New England there was a dense pall of fog, with unusually high temperatures. Westerly winds which are expected will be considerably colder, resulting in a fall of temperature ranging from 20 to 25 degrees. South of Virginia fair and colder weather is forecasted for today. In Florida last night the weather was warm, and Professor Henry, the official forecaster, said last night he did not think the cold snap would be sufficient to cause any damage to fruit.

Woman Murdered.

Miss Clem Pattison of Gordonsville, was murdered some time Monday night, and her dead body was found early yesterday morning stretched over the threshold of the door to her home, by a small negro boy there is no clue to the murderer. Miss Pattison was about 50 years old, and lived alone in a house which was quite a distance from that of her nearest neighbor. She was reputed to have kept in the house quite a sum of money at times, and it is thought that this report may have led to the attack upon her and the consequent murder. The negro boy who made the discovery, summoned Justice of the Peace Ross, who immediately began an investigation of the affair. It was evident that Miss Pattison made a fierce struggle for her life. The fight with the murderer evidently took place in two rooms of the house; the bedroom and the kitchen adjoining. It is supposed that the intruder first attacked Miss Pattison in her bedroom, as she was getting ready to retire. The bed and chairs were broken in the desperate struggle, which was continued in the kitchen to which the woman apparently escaped. Here the fight was continued, overturning the stove and smashing other furniture. Blood stains on the floor indicated that she was finally knocked senseless by her murderer, who then ransacked the house at his leisure. Whether he found any money or not is undetermined, as no one, apparently, was intimate enough with the dead woman to be taken into her confidence. After the murderer had left, it is supposed that Miss Pattison regained consciousness and dragged her cruelly wounded body across the floor to the door, in the hope of arousing assistance. When discovered she had been dead for several hours. In the struggle Miss Pattison's clothing had been torn from her body, which was horribly bruised and mangled. The murderer evidently had used some blunt instrument as his weapon, and the blows had been struck with deadly force, several of the woman's bones being broken, in addition to receiving fatal internal injuries.

Driven to Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Jay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c at E. S. Leadbeater & Sons' drug store.

Beware of Counterfeits.

"DeWitt's is the only genuine Witch Hazel Salve," writes J. L. Tucker, of Centre, Ala. "I have used it in my family for Piles, Cuts and Burns for years and can recommend it as the best Salve on the market. Every family should keep it, as it is an invaluable household remedy, and should always be kept on hand for immediate use." Mrs. Samuel Gage, of North Bush, N. Y., says: "I had a fever sore on my ankle for twelve years and blood remedies proved worthless. I could not walk for two years. Finally I was persuaded to try DeWitt's Witch Hazel Salve, which has completely cured me. It is a wonderful relief." DeWitt's Witch Hazel Salve cures without leaving a scar. Sold by all druggists.

RECTOR OF ST. LUKE'S.

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

Ashburnham, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a Godsend remedy. Respectfully yours,

E. A. LANGELOTT, M. A.,

Rector of St. Luke's Church.
